Tuition / Enrollment

Miller Marley School of Dance & Voice has introduced to its parent community our NEW software program, **DanceStudio-Pro**. This NEW software program will allow students and parents the ability to register for classes online, make tuition payments electronically, view and print statements, update your account information, change enrollment status, and see your student's weekly dance schedule at a glance.

As you begin your enrollment, use a computer to complete your information. Once you have your Parent Portal in place, you are welcome to not only continue the registration process on the computer, but through the use of the Dance Studio Pro Portal App on your phone.

Class enrollment for a new Season requires a \$100.00 deposit per family with a \$10.00 Administrative Fee per student, **totaling \$110.00**.

Steps for Completing Your Online Registration for your Dance Studio Pro account:

- Create your Parent Portal
- Set up your autopay account, enter your credit card information.
- Explore the DSP website and select your classes from your child's recommended classes for the Season, whether it be our Fall, Winter, and Spring Season or our Summer Season.
- Go to the PAY button to pay your family's registration fees (a \$100.00 deposit + \$10.00 Administrative Fee per student or your tuition payment in FULL)

ALL monthly tuition payments will be scheduled in our autopay system, payments will be run on the 5th or 20th of the month. If an autopay account is needed for tuition payment, families will need to contact our Account Manager, Pam Arnott at pam@millermarley.com to select your preferred date.

If you feel you need support with Student Enrollment, contact a Miller Marley Office Staff Member during hours of operation for questions.

Cancellation of Classes

Miller Marley must have a minimum of 10 students enrolled to provide a class. If fewer than 10 students are enrolled by the second week of the Session, the class will be cancelled. At that time, we will do our best to reschedule your class. If this is not possible, we will credit your account for future payments or refund your tuition minus the cost of any classes attended and the Administrative Fee.

Dropping a Class

If a student chooses to DROP a class, contact the Office Staff. This is a process that cannot be completed by the Parent on Dance Studio-Pro.

The Office will ask for a DROP form to be completed to confirm the drop and separate your financial responsibility for the class. Pam Arnott, our Account Manager, will communicate decisions made for crediting the account or refunds for the dropped class.

Make-up Policies

Progress is dependent upon consistent attendance. Making up classes is an indication of a conscientious student. Please observe these policies with regard to making up a missed class.

- Make-up classes should be taken during the Quarter in which the absence(s) occurred.
- Students may make-up in a class that is at the same level of instruction and authorized by the student's teacher.
- Students are allowed to make-up in a closed level / class, they are just not allowed to enroll in the class.
- Make-up classes do not need to be prearranged, just inform the teacher upon arrival that you are there for a make-up, providing the teacher with the name of the class, day, and time that the student is making up for.
