Welcome to Miller Marley's ***Recital for Future Stars 2022***. Many stars have been born at Miller Marley. Since its opening in 1963, the school has been the launching pad for the careers of over 100 alumni who have gone on to successful stage and film careers, out of which over 50 have appeared in over 120 Broadway shows. Once upon a time these people were our "Future Stars" and former "Future Stars" are currently appearing on Broadway, National Tours and in theatres on both coasts as well as internationally.

From their first pair of tap shoes and forever, Miller Marley will continue to cherish the memories of all its "Future Stars" both past and present.

So, here's to the cast of Miller Marley's Recital for Future Stars 2022: "You are the stars, the moon and the center of our universe. To see you grow and prosper has been a dream come true."

To our Miller Marley families: "Your love and support allows us to soar to greater heights. Your beautiful "stars" are a direct reflection of their wonderful parents."

To our Miller Marley performance companies: "Your presence is an inspiration to all the "Future Stars" that gaze at you in awe and aspire to dance just like you. Thank you for your loyalty and dedication."

And, to our "Littlest Stars": "Right now you are just a twinkle, but one day you could be a SUPERSTAR!"

*Setting others up for success is the greatest gift we can give as well as receive.
~ Shirley Marley & Brian McGinness*
