Four Musical Theatre Performance Companies

Sunday, April 30th

Welcome to Miller Marley's Spring Dance Concert 2023, presented as part of our Celebrating 60 Years in Business! Our performing company members are so excited to share their love of song and dance with all of you. Many dancing schools offer a performing company. There are dancing schools that primarily focus on the competition circuit, schools that focus on ballet, and schools that focus on musical theatre. There is only one Miller Marley School of Dance and Voice, which offers your child the most well-rounded performing arts education in this beautiful city we call home.

Many students have passed through the doors at Miller Marley since its opening in 1963. Our school has been the launching pad for the careers of well over 100 alumni who have gone on to successful

stage and film careers, out of which over 60 have appeared in over 130 Broadway shows. Once upon a time these students were just kids, now they are professionals who have appeared as a Rockette, on TV, in the movies, on Broadway, in National Tours, and in theatres on both coasts and internationally, as well as industrial dance, concert dance and ballet companies, the list goes on.

To see these former student's grow and prosper has been a dream come true. To our Miller Marley families: "Your love and support allows us to soar to greater heights." Your beautiful children are a direct reflection of their wonderful parents. To our Miller Marley performance company members, don't forget the lasting impression you create on the younger ones, who gaze at you in awe and aspire to dance or sing just like you. Thank you for your loyalty and dedication. You will always be in our hearts and a part of our Miller Marley family.

"Setting others up for success is the greatest gift we can give as well as receive."

Welcome to Miller Marley's spring concert featuring Cinderella presented by the Miller Marley Youth Ballet and the Youth Ballet 2.

Children under five years-old may not recognize the name of the President, but it is a safe bet that they know the name Cinderella. And rightfully so because Cinderella is one of the most well-known fairy tales of all time. Critics have used the adjectives captivating, enchanting, and magical to describe what is considered the quintessential rags-to-riches love story. The ballet version of Cinderella is no exception. Its mass appeal, particularly to young audiences, lies in the fact that the storyline sticks very closely to the original complete with all the stock characters that generations have grown to know and love. And besides, who doesn't love a good makeover?

The Miller Marley Youth Ballet Company has a repertory of seven main stage ballets that date back to the first production of Peter and the Wolf in 2007. Cinderella made its debut in 2008 and now the company is reviving the ballet for 2023. Miller Marley School Director and Company Coordinator Brian McGinness said, when our version of Cinderella was first created, Elaine Biggs (former MMYB

Costume Designer) made some of the costumes and we rented the rest. This year, Tia Browning, our Resident Costume Designer, completed and updated the Cinderella wardrobe. The fruits of her labor are absolutely beautiful and truly fit for a princess.”

Congratulations to Laura Branson MMYB Artistic Director and Cinderella Choreographer. Your choreography and expert direction have propelled our young dancers to the greatest heights. Miller Marley welcomes back Ashley Moehlenhoff, who studied and trained as a student under Laura Branson, and has returned full circle as a ballet instructor and current Artistic Director of our YB2 Company. Thank you both for your dedication. To the members of our ballet companies: Once again you have outdone yourselves. Whether you are near to us or far away we will always celebrate your triumphs and will forever hold a special place in our hearts.

Enjoy Act Two!
