MIDWEST TRUST CENTER

JOHNSON COUNTY COMMUNITY COLLEGE

YARDLEY HALL

Welcome to Miller Marley's Dance Showcase 2025

"Be Led by Your Dreams"

When it comes to dreams, they exist in all forms, shapes, and sizes.

There is the simple dream of an excited, young, three-year-old girl or boy, wearing their first fancy recital costume, up on the big stage with all of the bright lights and the huge sea of faces in the audience. Their parents' pride and joy as they witness, through their child's first performance, the beginnings of the love and appreciation of the arts in its earliest stages.

There is the continuation of dreams, sometimes never even imagined, as each student continues to grow and mature with our program as they reach the next level of achievement. Every recital a child's family and friends witness the amazing growth, as each maturing artist's hard work and dedication comes to fruition on this grand stage of Yardley Hall.

Then there is the dream of bigger and better things to come as our Junior and Senior class performers plan for their next adventure as they graduate into the brave, new world that lies ahead after high school. For their parents this is a multi-layered, bittersweet experience. The finality of many years of support, encouragement and past dreams fulfilled as their child experiences graduation. The reality of one dream, quickly coming into place, of their child becoming a young independent adult, ready to take on the challenges of the world that lies ahead. There is a new dream filled with all the opportunities that this world holds for them in the future.

Our Miller Marley staff too shares the dreams of our students. We wish each one of them the gifts of happiness, good health, a safe long life, and success in whatever path they follow, rather it be a career in the performing arts, a doctor, a lawyer, or a cherished kindergarten teacher. Like your parents, your second family here at Miller Marley will always be proud of you and will always be here for you!

Tonight, all our hearts will be dancing to the beat of our beloved Shirley Marley, the proud owner of Miller Marley School of Dance and Voice. A former student once said that there are “six degrees of separation between Shirley and everybody on the planet.” (#SixDegreesOfShirleyMarley) This is certainly an understatement considering the thousands and thousands of lives that Shirley has touched in her career of teaching sixty plus years.

Showcase 2025 will be both a revival of Miller Marley’s time-honored classics as well as the premiere of many new, never before seen numbers. We could go on and on with our intro but now, it is time for us to go... on with the show!!
Enjoy, Brian
