Director's Notes

The Miller Marley Youth Ballet is proud to present the ballet *The Wizard of Oz*.

The Wizard of Oz tells the story of Dorothy Gale, a young girl living on a Kansas farm with her Aunt Em and Uncles. When a powerful tornado strikes, Dorothy and her dog Toto are carried away in their house to the magical Land of Oz. The house lands in Munchkin Country, accidentally killing the Wicked Witch of the East, and Dorothy is greeted as a hero by the Munchkins and the Good Witch of the North. Dorothy is given the ruby slippers that were on the Wicked Witch of the East's feet, making the Wicked Witch of the West angry.

To find her way home, Dorothy is advised to follow the Yellow Brick Road to the Emerald City and seek help from the mysterious Wizard of Oz. Along her journey, she befriends three companions: the Scarecrow, who longs for a brain; the Tin Woodman, who desires a heart; and the Cowardly Lion, who wants courage. Together, they face a series of obstacles, including dangerous forests, enchanted poppy fields, and ultimately the threat of the Wicked Witch of the West, who seeks revenge for her sister's death.

When they finally reach the Emerald City, the Wizard agrees to grant their wishes—but only if they defeat the Wicked Witch. The group succeeds, and upon returning,

they discover that the Wizard is not a powerful sorcerer but an ordinary man using illusions. Despite this, he helps Dorothy's friends realize that they already possess the qualities they sought intelligence, compassion, and bravery.

Dorothy, still longing for home, learns from Glinda, the Good Witch of the South, that she has had the power to return to Kansas all along using the magical ruby slippers. By clicking her heels together and wishing to go home, Dorothy is transported back, where she awakens safely with her family—grateful for home and the lessons she learned about self-belief, friendship, and courage.
