The focus of this class is proper, basic ballet alignment and technique as well as age-appropriate methods of stretching with the goal to support our younger dancers in the proper execution of the art of leaps and turns.

~ Denotes requirements to take this “Basic L. & T. (2<sup>nd</sup> – 4<sup>th</sup>)” class.

This is an EXTRA class designed to ADD TO THE BASIC TRAINING of our younger dancers. The foundation of dance is basic ballet, tap and jazz classes. Therefore, it is REQUIRED that ALL student who add this class must also be currently enrolled in a ballet, tap and jazz class. This class is not to be taken to just learn leaps and turns
