Always Something NEW at Miller Marley

Miller Marley is announcing **NEW LOWER TUITION RATES!!**

Check the website for our NEW tuition rates per 11-week class session. Miller Marley is giving you NEW lower tuition rates for all multiple classes beginning at the 3rd class hour. Check out the NEW Rate for Unlimited Classes!! These rates will apply throughout our Fall, Winter, and Spring Quarters. MORE for Less!

While celebrating its 57th year in business, Miller Marley will be introducing 97 classes to its dance community! Students of all ages will be able to enroll in ballet, tap, jazz, musical theatre, tumbling and more.

As you look over our Fall 2019-2020 Class Schedule, you may notice a few NEW additions. As introduced this summer, Miller Marley is proud to announce its introduction of our "PC" leveled classes. "PC" stands for Performing Company, meaning that students invited to these classes are either in a Miller Marley Performing Company or will be considered in the future. The "PC" classes will focus on technique through structure, discipline, respect and hard work. These classes are by invitation only.

Jazz

Miller Marley does not offer the PC design for its older students, as they are already being placed in their own personal accelerated levels. However, built into our Fall Schedule for our older Jazz students, there is a change in how our staff will level student growth using the descriptors, "Continuing, Intermediate and Advanced". A "Continuing" level follows the beginning level of instruction. Our former 5-6 levels are now identified as an "Intermediate" level and 7-8 is labeled as "Advanced".

Miller Marley's Tiny Competition Team

With its grow and popularity, Miller Marley's Tiny Competition Team has evolved from a class to an added addition to Miller Marley's competitive dance program. Students in this class meet for rehearsal throughout the week as they prepare a jazz routine that they will perform at three regional competitions as well as Miller Marley's Holiday Performance and the Recital for Future Stars. The team is selected by "Directors Invitation Only".

Schedule at a Glance – Fall '19 thru Spring '20

Miller Marley Jr. / Tn. Sr. Competition Team Extras

Back by popular demand, is our Junior CT Tech class. Our Jr. Competition Team Members will be offered a Team Technique Class on Tuesdays at 7:30pm.

“New” this season is an Advanced Competition Team Leaps & Turns class which meets on Tuesdays at 8:30pm. This class is designed for the Teen / Senior CT Members.

Both of these classes are instructed by Miller Marley’s Alumni instructor, Macie Rouse.

PC Basic Leaps & Turns (2nd - 4th Grade)

Introduced this summer, this basic Leaps & Turns class is for our PC students, Grades 2nd – 4th. This technically designed class focuses on a student’s basic ballet alignment and basic stretching with a goal to support the younger dancers in their proper execution of the art of leaps and turns. ALL students who add this class MUST be enrolled in a ballet, tap and jazz class.

Adult Ballet

Adults, here is your chance to strengthen those muscles and tone your body through the art of classical ballet! Ballet is a great over all body conditioning that works all the muscle groups. It strengthens and tones in ways no other exercise can.

This class will consist of floor work as well as basic ballet exercises to tone and stretch, arms, legs, glutes, abs / core, and correct placement and alignment of the body.

The attire for this class can vary from tights and a leotard to activewear, sweats, etc. and ballet slippers. A great class plus it will help bring out the inner ballerina in you!

Hip Hop (2nd - 4th Grade)

Hip Hop is BIG at Miller Marley and now we’ve added to our Fall Schedule a Hip-Hop class for our students 2nd- 4th grades! Miller Marley is looking for this class to go WILD this Fall! Enroll early to get your spot in this class!

Tumbling Aerials

Tumbling Aerials is for students that have mastered the skills in Tumbling 3 (*or teacher approval*). Students will work on leg and back flexibility for side and front aerials, strengthen legs and core muscles, perform drills for front and side aerials, maintain proper body positions, form, and technique.
