Read the information carefully as we are committed to keeping our Miller Marley community informed of our latest updates!

### Summer Enrollment

Miller Marley is opening its enrollment first to its returning student population beginning Monday, June 1<sup>st</sup>. Due to classroom size and individual personal safety, there will be limited physical space, causing a limited capacity of students. Our Miller Marley students will need to enroll early to reserve their spot. NEW students will be eligible to enroll beginning Monday, June 8<sup>th</sup>.

Miller Marley Office Hours beginning Monday, June 1<sup>st</sup>:

- Mon. – Thurs. 12:00noon – 6:00pm

The Office will be closed on Friday, Saturday and Sunday.

### To Enroll Your Student

Parents are welcome to enroll their student(s) by choosing one of the following:

- Contact the office by phone to enroll with one of our Office Staff. Tuition fees must be paid at the time of enrollment. NEW tuition rates / payment arrangements are available. Check our website at [www.millermarley.com](http://www.millermarley.com). or contact us 913-492-0004.
- Complete an enrollment form found on our website at [www.millermarley.com](http://www.millermarley.com). Fax or email the document into our Office and the Office Staff will be in touch with you regarding payment information. Our Fax number is 913-894-2575.
- DO NOT email us your child's name and the classes they want to enroll in. Due to the volume of enrollment, the Office Staff request that Parents assist us in offering us the most productive communication for enrollment. We want to offer you the process that will be the most efficient and less steps for both parties. Thank you for your support in helping us streamline this important piece of our business!

### Summer Classes

Miller Marley's Summer Schedule is posted on our website. You will notice the classes highlighted in blue are the classes that are eligible to participate in this *Summer's Recital for Future Stars*.

Returning Miller Marley students are to enroll in their Spring Quarter classes as all teachers will be strengthening each student's accelerated skills over the 6-week Summer Session.

Personalized student class schedules will be given to students at the end of the Summer Session for Fall 2020 Enrollment.

## Recital for Future Stars

Miller Marley is now eager to announce the finding of a new venue for our **Recital for Future Stars** newly scheduled for **Sunday, August 16<sup>th</sup> at 6:00pm**. We have reserved Cedar Valley Forest as our outdoor venue for this special event. The Cedar Valley Forest event space is located in DeSoto, KS. It will be ours to create the performance space we need, while keeping the health of our students, staff and families safe and offering social distancing. This recital will take on its own personality as we create a more casual event for our families.

Your Performance Fee will continue to financially support this event and the cost we incur. Tickets will NOT be required for this family event.

## Summer Hiatus for Shirley Marley!

What?? No Shirley Marley this Summer? Out of respect and protection of Shirley Marley's health, Miller Marley has chosen to offer her some time away this summer! However, Shirley Marley will continue to be hard at work as she creates her class curriculum and tutors her former alumni to take her spot this summer, former students Ann McCroskey, Sarah Peterson and Hannah Yeoman. Miss Shirley personally selected these individuals for this important position!

Miss Shirley, we will miss you! Your friends at Miller Marley will be watching for a "Where's Shirley?" appearance!

Miller Marley wishes you safety and good health!
