Progress is dependent upon consistent attendance. Making up classes is an indication of a conscientious student. Please observe these policies with regard to making up a missed class.

- Make-up classes should be taken during the Quarter in which the absence(s) occurred.
- Make-up classes can be carried over into the following Quarter upon the consent of the Office Staff.
- Missed classes cannot be made up in a Quarter for which the student has not paid.
- Students may make-up in a class that is at the same level of instruction and authorized by the student's teacher.
- Students are allowed to make-up in a closed level / class, they are just not allowed to enroll in the class.

### **Enrollment**

All continuing students are required to enroll again prior to the first day of Fall and Summer classes. Upon enrolling, every student is required to complete a new Student Registration Form. By signing the Student Registration Form, the parents agree:

- To complete the basic information on the Registration Form every Fall Quarter and Summer Quarter.

Class placement is at the sole discretion of our teaching staff. **New Students** will take a placement class during which the instructor will determine the correct class level for the student. New students are given the opportunity to take a placement class in ballet, tap and jazz.

## Dropping A Class

- A DROP Class Form must be completed and turned into the office when a student is dropping a class.
- If the DROP Class Form is received after the Quarter has started, the responsible party still will be obligated to pay the tuition for the number of classes taken in the quarter at the rate of \$18.00 per class.
- Regardless of whether a student is attending class, the studio will continue to charge the account until a DROP Form has been received.

## Cancellation of Classes / Closed Classes

- There must be a minimum of 10 students enrolled to provide a class. If fewer than 10 students are enrolled by the second week, the class will be cancelled. At that time, the Office Staff will attempt to look at other available class options. If a satisfactory class is not available, tuition will be refunded minus \$15.00 per class taken.
- The determination to close a class when the enrollment has been reached or exceeded is made by the individual instructor.
- Closed classes are identified and assessable online in *The Schedule-At-A-Glance* and on the printed *Schedule* designed for the Fall – Spring and Summer Enrollment Periods.

## **Parent / Teacher Communication**

Parents with concerns about their child are encouraged to make an appointment to conference with the child's instructor. Often teachers do not have the necessary time to devote to discussions before or after class, scheduling an appointment benefits both parties and will prove to make conferencing beneficial.

- Before enrollment, prospective families are welcome to make an appointment to observe any class / classes of interest. This may be done with the consent of the individual instructor.
- After enrolling, any party who wishes to observe a class for reasons other than those listed above, must obtain permission from the instructor.
- Observation is not permitted when a substitute teacher is conducting the class.
