

Notice: New Mask Policy Details

To: Students and Families of Miller Marley

The Administrative Team at Miller Marley has made the decision to amend its masking policy for students, staff, and patrons.

Beginning Monday, February 21st, students, teachers, staff, and patrons now have the option of wearing a mask on the property of Miller Marley. Miller Marley will respect each family's decision to choose if an individual wishes to wear a mask.

Miller Marley continues to keep the safety of our staff and families as our top priority. The teachers and staff of Miller Marley will ensure that each individual feels safe and secure as we adjust to our new guidelines.

Thank you for your support as we continue to navigate through this recent change in protocol.

Sincerely,

Miller Marley Administrative Staff
