No classes will be held the week of Competition Team Nationals
Sunday, June 14th through Saturday, June 20th

Tuition / Enrollment

Miller Marley School of Dance & Voice has introduced to its parent community our NEW software program, **FullOut**. This NEW software program will allow students and parents the ability to register for classes online, make tuition payments electronically, view and print statements, update your account information, change enrollment status, and see your student's weekly dance schedule at a glance.

As you begin your enrollment, use a computer to complete your information. Once you have your Parent Portal in place, you are welcome to not only continue the registration process on the computer, but through the use of the **FullOut** Portal App on your phone.

NEW Miller Marley will NO longer require a Pre-Registration FEE to hold a place in class prior to our Official Enrollment!

For our Summer Session we WILL be Collecting a \$15.00 Administrative Fee for the first student per family, and a \$10 Administrative Fee for each additional student enrolling.

Steps for Completing Your Online Registration for your Dance Studio Pro account:

- Create your Parent Portal
- Set up your autopay account, enter your credit card information.
- Explore the **FullOut** website and select your classes from your child's recommended classes for this Summer Session.
- Go to the PAY button to pay your family's Administrative Fee per student and your class tuition payment in FULL.

ALL payments will be scheduled in our Autopay system. You must have a credit card on file to Register and Pay for Classes and Performing Groups.

Payment Due Dates

ALL Tuition is due on the 5th of every Quarter or every Month.

Performing Group Fees can be paid for the Full Year or Monthly on the 5th or the 15th

To help keep our prices fair for everyone, a small processing fee is applied to credit card payments. Debit cards and cash are always accepted with no additional fee. Thank you for understanding and supporting our business.

If you feel you need support with Student Enrollment, contact a Miller Marley Office Staff Member during hours of operation for questions. 913-492-0004 or email Julie Kennedy julie@millermarley.com

Cancellation of Classes

Miller Marley must have a minimum of 10 students enrolled to provide a class. If fewer than 10 students are enrolled by the second week of the Session, the class may be cancelled. At that time, we will do our best to reschedule your cancelled class. If this is not possible, we will credit your account for future payments or refund your tuition minus the cost of any classes attended and the Administrative Fee if not enrolled in any other classes.

Dropping a Class

If a student chooses to DROP a class, contact the Office Staff. This is a process that CANNOT be completed by the Parent on the FullOut platform. The Office will ask for a DROP form to be completed to confirm the drop and separate your financial responsibility for the class. Our Account Manager, will communicate decisions made for crediting the account or refunds for the dropped class.

Make-up Policies

Progress is dependent upon consistent attendance. Making up classes is an indication of a conscientious student. Please observe these policies with regard to making up a missed class.

- Make-up classes should be taken during the Quarter in which the absence(s) occurred.
- Students may make-up in a class that is at the same level of instruction and authorized by the student's teacher.
- Students are allowed to make-up in a closed level / class, they are just not allowed to enroll in the class.
- Make-up classes do not need to be prearranged, just inform the teacher upon arrival that you are there for a make-up, providing the teacher with the name of the class, day, and time that the student is making up for.
